Remind Service

Please register **student cell phones** for this service to be effective.

We are again utilizing a service called Remind to help facilitate direct communication with camp students. Remind allows us to communicate safely with students without sharing staff or student phone numbers. These communications will be for camp purposes only, and will provide us the opportunity to make sure students have the most up-to-date information in a timely fashion. Our goal is to reach as many students as possible through this service. Please take a moment to sign up for this service using one of the following options, remembering that for this to be effective, these should be **student** cell phones as these will be in-camp announcements.

If you signed up last year, you MUST sign up again, as this is a different group. If you do not sign up, you will NOT receive text updates from us.

There are two ways to sign up:

You can either click this link <https://www.remind.com/join/u/mlsbc2019> OR

you can text @u/mlsbc2019 to 81010 from your **student cell phone** (see image below).

** You do not need to download the Remind app to receive messages.
